

**Principal inter-urban bus routes**

*Frequencies are based on Monday to Friday daytime and are given as a broad guide only*

Operator:	Arriva	First	Go Ahead	Stagecoach	Other Operators (as shown on maps)
Hourly or better for most of the day					
At least 3 journeys per day (typically 3 to 5)					
Selected infrequent routes					
Joint services:			Seasonal services:		
Demand responsive (drt) services:	 (These require prebooking a few hours before travel; routeing may vary).				

**Principal railways**

**Heritage railways**

In complex areas priority is given to the most direct and most frequent services between main centres.

The scale of the maps is as follows (based on this Key being displayed at the same size as the maps):

Purely urban routes are generally excluded unless directly linking main centres.

To print pdf files on A4 sheets the best results are normally obtained by printing at "actual size".

All information is given in good faith. Changes can happen at short notice.

See the "About" page for further information.
